How to obtain a DVLA check code

(required for vehicle hire)

The DVLA check code replaces the information that used to be held on the paper part of driving licences.

The web address you will need is:

<https://www.gov.uk/view-driving-licence>

In order to obtain a check code, you will also need:

1. Your Driving Licence number
2. Your National Insurance number
3. Your Post Code

You will then need to click on the button to share your information with someone else. This will generate a check code which you need to give to us exactly as it appears.
